

## The University of North Bengal Signs up with Schoolguru Eduserve for Content Services

02<sup>nd</sup> July 2019

The University of North Bengal Signed up with Schoolguru Eduserve for Content Services. Schoolguru facilitates machine learning, data analytics, deep learning, big data and natural language processing to help Universities launch their ODL programs. The Company provides high quality and cost-effective imaging, content digitization, and archival digitization services to the Universities.

The University of North Bengal, based in the district of Darjeeling, since its inception in 1962, has been fulfilling the objectives of imparting higher education and research to the people of this socio-economically backward area of the country. With the global advancement and requirements in the arena of higher education and research, the University has shouldered the responsibility of dissemination of knowledge by judicious expansion of its role in advanced, non-conventional, applied and job-oriented fields keeping the quality of education at par with global standards at low cost. The University has about 64 affiliated colleges in the northern part of West Bengal and serves about 120000 students. The University, recently, got a fresh permission from the UGC to continue their distance education courses in their jurisdiction! (<http://www.nbu.ac.in/>)
