

**Chandigarh University collaborates with Schoolguru Eduserve Pvt. Ltd.
To launch their Bachelor and Master courses online.**

Chandigarh University collaborates with Schoolguru Eduserve Pvt. Ltd. to launch, run and manage its Bachelor and Master online and ODL courses to students across the country.

Schoolguru holds expertise since 2012 in running and managing online courses for many Universities across the country. With this expertise, we aim at making online learning and teaching easier for students and teachers at the Chandigarh University. The new advent of technology and our multi-modal learning format will encourage students to take up courses online in the fields of marketing, arts, business and technology. Students shall be able to access the full course content and also chat with the professors online on their smartphones. The courses provide full interactivity through the live classes feature where the students shall be able to attend live lectures by the course faculty and also interact with them.

Accredited by NAAC with the prestigious A+ Grade in the first cycle itself, Chandigarh University (CU) is an institution committed to excellence in research, innovation, interdisciplinary education and active promotion of promising young talent. The university has been bestowed with many awards and recognitions, including Asia's Fastest Growing Private Institution, Outstanding Engineering Institute, and the Limca Book of Records for inviting the most number of companies in a single year for campus placements. The University has signed MoUs with over 250 foreign universities and institutions from countries like USA, Canada, UK, Australia, Italy, Russia, South Korea, Spain, Thailand, etc.
